CONFIDENTIAL

MEMORANDUM

TO: File  
FROM: Father Charles Lienert  
SUBJECT: Sex Abuse Allegation  
DATE: January 5, 1994

Father Joe Jacobberger called me today to report an allegation of sex abuse which had been made to Sister Fidelis who is on his staff.

A homeless person named [redacted] whom Sister Fidelis has seen from time to time when he has come to ask for assistance, made the accusation to her that he was sexually abused by a priest twenty years ago. The priest he accuses is Father Aldo Orso-Manzonetta. He is at the present time seeing a counselor through the county.

I have asked Father Jacobberger to have Sister Fidelis contact me so that I might get more information from her and see whether it will be possible to contact him and speak with him. He said that he will ask her to call me as soon as she is able.
